When the Employee and the Policyholder share in the cost of the Employee's insurance or, when the Employee pays 100% of the cost of Employee insurance, the Employee must request insurance by properly completing and signing an enrollment form acceptable to Us and submitting this form to Us within 60 days following the day the Employee becomes eligible for the Policy.

The Employee will become insured on the first day of the month which coincides with or follows the later of the day:

- (a) the Employee becomes eligible; or
- (b) the Employee's enrollment form, acceptable to Us, is properly completed and signed;

and, if required, We approve Evidence of Good Health provided the Employee is Actively Employed on that date. If the Employee is not Actively Employed on that date, insurance will begin on the first day of the month which coincides with or follows the day the Employee returns to Active Employment.

If an Employee was eligible for group life insurance under a Prior Plan immediately prior to the effective date of this Policy, but did not elect insurance under such plan, the Employee may enroll for insurance under this Policy if the Employee is otherwise eligible and provides Us with Evidence of Good Health. Insurance will begin on the first day of the month which coincides with or follows the day We determine such evidence is acceptable, provided the Employee is Actively Employed on that date. If the Employee is not Actively Employed on that date, insurance will begin on the first day of the month which coincides with or follows the day the Employee returns to Active Employment.

### **Increase in the Amount of Your Insurance**

You cannot request an increase to the amount of Your insurance unless You are Actively Employed on the day You submit such request. We will use the Policyholder's payroll records and the premium We have received to determine the appropriate insurance amount.

Any increase in the amount of Your insurance will take effect on the later of the first day of the month which coincides with or follows the day:

- (a) of the change; or
- (b) the first day of the month which coincides with or follows the day We approve Your Evidence of Good Health, if required by Us.

If You are not Actively Employed on the day the increase in insurance would otherwise take effect, the increase will become effective the first day of the month which coincides with or follows the day You return to Active Employment.

## **Exceptions to Changes in the Amount of Your Insurance**

### **Life Event (Family Status Change)**

Within 60 days of a Life Event, You must submit a written request to Us to change Your amount of insurance. If Your request is submitted more than 60 days from the date of the Life Event, We will also require Evidence of Good Health.

Insurance may be issued up to the Guarantee Issue Limit without Evidence of Good Health. For any amount over the Guarantee Issue Limit, Evidence of Good Health is required. We will use the Policyholder's payroll records and premium We have received to determine the appropriate amount of insurance.

Any increased insurance amount will take effect on the first day of the month that coincides with or follows the date We approve Your written request, provided You are Actively Employed on the date the increase would take effect.

If You are not Actively Employed on the day the increase in insurance would otherwise take effect, the insurance will begin on the first day of the month which coincides with or follows the day You return to Active Employment.

This election cannot be made more than once a year and is subject to the following conditions:

- (b) insurance is subject to the Guarantee Issue Limit and Plan Maximums shown in the Schedule of this Certificate.

### **Reinstatement of Employee Insurance**

An Employee may be eligible to reinstate insurance that has ended. A written request for reinstatement must be submitted to Us. The reinstated insurance will take effect on the first day of the month that coincides with or follows the date We approve the Employee's written request, provided the Employee is Actively Employed on the date the increase would take effect.

The following reinstatement options are available and are each subject to the conditions described in the following paragraphs:

- (a) Involuntary Reduction in Hours; and
- (b) Rehired Employee.

### **Involuntary Reduction in Hours**

If insurance ended because the Employee is no longer Actively Employed due to an involuntary reduction of hours worked, the Employee's insurance may be reinstated if the Employee returns to Active Employment and there was no break in employment with the Policyholder after the date insurance ended.

We will require Evidence of Good Health if the amount of insurance being requested exceeds the amount of coverage in effect on the Employee's last day of Active Employment.

### **Rehired Employee**

If insurance ended because the Employee is no longer Actively Employed due to termination of employment with the Policyholder, the Employee's insurance may be reinstated if the Employee is rehired and becomes Actively Employed within 90 days from the date employment ended.

We will require Evidence of Good Health acceptable to Us if the amount of insurance being requested exceeds the amount of insurance in effect on the Employee's last day of Active Employment.

If employment terminated due to a military leave, the Employee is eligible to reinstate insurance up to the amount in effect on the last day of Active Employment upon return to Active Employment immediately after discharge from active duty, provided the Employee meets the eligibility requirements of the Policy.

If insurance has been elected and continued under the Portability provision while an Employee was not Actively Employed, the Employee is eligible to reinstate insurance up to the amount in effect on the last day of Active Employment. Any coverage provided under Portability will terminate upon reinstatement of insurance under this Policy.

### **When Employee Insurance Ends**

Your coverage under the Policy ends on the earliest of:

- (a) the date the Policy is cancelled;
- (b) the date You no longer are in an Eligible Group;
- (c) the date Your Eligible Group is no longer covered;
- (d) the last day of the period for which You made any required contributions; or
- (e) the last day You are in Active Employment unless continued due to a covered layoff or leave of absence or due to an Injury or Sickness, as described in this Certificate.

## **If Employee Insurance Ends or You are on a temporary Leave of absence or Layoff**

If You are no longer Actively Employed or Actively Working, You may be eligible to continue insurance under one of the following direct bill continuation options.

The conditions for each continuation option are described within each provision.

For life insurance:

### **(a) Layoff, Approved Military or Education Leave of Absence or Injury or Sickness**

If You are on an approved leave of absence or layoff and are no longer having payroll deductions, You may maintain Your current coverage regardless of Your medical condition by contacting Mutual of Omaha to initiate a direct pay method.

### **(b) Portability**

If You are not Actively Employed for reasons other than an approved leave of absence or layoff, the Portability option is available to You as long as You do not have a medical condition which has a material effect on life expectancy. In that instance, the only option is for You to apply for the Conversion Privilege.

### **(c) Conversion Privilege**

The Conversion Privilege offers You an opportunity to continue Your coverage with an individual whole life policy regardless of Your medical condition.

If You are no longer Actively Employed due to Total Disability, You may be eligible to continue insurance under the Waiver of Premium Benefit provision. The conditions for this continuation option are described within the provision.

## **Layoff, Approved Military or Education Leave of Absence or Injury or Sickness**

You may be able to continue life insurance under this provision for 60 days from the day You are no longer Actively Employed in the event of an layoff, approved military or education leave of absence or Injury or Sickness.

Under this provision, insurance will continue subject to the following conditions:

- (a) We must continue to receive uninterrupted premium payment;
- (b) We must receive written notification within 60 days from the date You are no longer Actively Employed; and
- (c) the amount of insurance will not be increased while You are laid off or on approved leave of absence.

**Note:** During a layoff, approved military or education leave of absence or Injury or Sickness premiums will be directly billed to You.

Insurance under this provision will end on the first day of the month which coincides with or follows the earliest of the day:

- (a) the Policy terminates;
- (b) any applicable premium contribution is due and unpaid;

- (c) You elect to obtain insurance under the Conversion Privilege or the Portability provision;
- (d) You return to Active Employment or begin employment with an employer other than the Policyholder.

If state law requires an employer to allow a leave of absence related to pregnancy, childbirth, or adoption, We will continue insurance during that leave period subject to the terms and conditions of this Policy.

### **Portability**

You may be able to obtain life insurance under this provision when insurance ends prior to age 99 due to any of the following reasons:

- (a) the Policy terminates and the Policyholder does not obtain similar group insurance from Us within 60 days;
- (b) employment with the Policyholder ends for reasons other than Your Injury, Sickness or Disability;
- (c) You are not Actively Employed;

**NOTE:** Premiums will be directly billed to You if You elect insurance under this Portability provision.

If You are eligible and elect insurance under this Portability provision, You will not be eligible to continue insurance under the Waiver of Premium Benefit provision or Conversion Privilege provision in this Certificate.

### **Premium Rates for Portability**

Premium rates will change as You enter a higher age category. Other than for this reason, rates will not be changed on an individual basis. Premium rates may be changed for all persons who have elected Portability coverage from Us. In the event of a change in premium rates, We will provide written notification 31 days prior to the date of the change.

## **When Portability Ends**

Insurance under this Portability provision will end on the earliest of the day:

- (a) You reach 99 years of age;
- (b) any applicable premium contribution is due and unpaid;
- (c) You return to Active Employment for the Policyholder and Your insurance under the Policyholder's group plan is reinstated;
- (d) before You enter the Armed Forces, National Guard or Reserves of any state or country on active duty (except for temporary active duty of 30 days or less).

## **Conversion Privilege**

See the Life Insurance Benefits For You provision for information about the Conversion Privilege. Premiums will be directly billed to You if You elect insurance under the Conversion Privilege.

## **Waiver of Premium Benefit**

You may be able to continue life insurance under this provision without payment of premium if You become Totally Disabled while insured under the Policy prior to age 60. If You are over age 60 You may apply for an individual life insurance conversion policy according to the terms of the Conversion Privilege described in this Certificate.

Continuation of insurance under this Waiver of Premium Benefit provision is subject to the following conditions:

- (c) the Waiver of Premium Benefit Elimination Period must be satisfied; and
- (d) Proof of Total Disability must be provided to Us as described in the following paragraphs.

If You are eligible to continue insurance under this Waiver of Premium Benefit provision You will not be eligible for Portability.

## **Waiver of Premium Benefit Elimination Period**

The Waiver of Premium Benefit Elimination Period is a period of 9 consecutive months of Total Disability beginning on the date You became Totally Disabled while insured under the Policy. Your insurance will continue during this time without premium payment as long as You remain Totally Disabled.

## **Proof of Total Disability**

You must notify Us in writing of Total Disability within 12 months from the date You become Totally Disabled. Satisfactory proof of Total Disability must be submitted to Us before the end of the Waiver of Premium Benefit Elimination Period. We will notify You in writing if this proof is not acceptable. You will have 60 days from the date of Our denial in which to exercise the Conversion Privilege described in this Certificate.

If You are approved for continuation of coverage under this Waiver of Premium provision, We will periodically require proof of continuing Total Disability. This will be at Your expense. If at any time We determine You are no longer Totally Disabled We will notify You in writing and You will have 60 days from the date of Our denial in which to exercise the Conversion Privilege described in this Certificate.

In order to confirm that You are Totally Disabled, We have the right to have You examined by a Physician of Our choice at Our expense. We may have You examined any time during the first two years of Total Disability and once a year thereafter.

## **Death While Satisfying the Waiver of Premium Benefit Elimination Period**

If You die during the Waiver of Premium Benefit Elimination Period, benefits will be paid to Your beneficiary if We receive satisfactory proof of Total Disability and We determine that You were Totally Disabled on the day before the date of death.

## **When the Waiver of Premium Benefit Ends**

Your continued insurance under the Waiver of Premium Benefit provision will end on the earliest of:

- (a) the day You are no longer Totally Disabled;
- (b) 90 days after a proof of Total Disability form is sent to You, but has not been returned to Us;
- (c) the day You fail to be examined by a Physician of Our choice or do not cooperate with an exam in accordance with the Proof of Total Disability provision; or
- (d) the day You reach age 65.

You will have 60 days from the date insurance under the Waiver of Premium Benefit provision ends in which to exercise the Conversion Privilege described in the Policy. You will not be eligible to continue insurance under the Portability provision.

If Your Dependent's Life Insurance ends:

- (a) because of Your death;
- (b) under circumstances where You have the right of conversion; or
- (c) because Your life insurance is being continued under the **Continuance of Life Insurance If You Become Totally Disabled** provision (if provided in this policy);

Your Dependent may apply for an individual policy of life insurance (called a conversion policy) without giving health information.

Issuance of a conversion policy to Your Dependent is subject to the following.

1. Your Dependent may apply for any of Our individual life insurance policies except term insurance. Your Dependent may not apply for supplemental coverage.
2. Your Dependent may apply for an amount which is not more than the amount of terminated life insurance.
3. The premium for the conversion policy will be at Our standard rate for that type of policy, according to:
  - (a) Your Dependent's class of risk; and
  - (b) Your Dependent's age on the date the conversion policy takes effect.

4. Your Dependent must submit a written application and the first conversion premium to Us within 60 days after his or her life insurance ends.

If we issue Your Dependent a conversion policy and Your Dependent again becomes eligible for group life insurance under the policy, coverage will become effective only if:

- (a) Your Dependent terminates the conversion policy; or
- (b) Your Dependent submits at his or her own expense, Evidence of Good Health acceptable to Us.

### **Extended Insurance**

If a Dependent dies within 60 days from the day Dependents life insurance is terminated, we will still pay benefits. Upon receipt of proof within one year after death, we will pay the amount for which the Dependent was last insured.

If a conversion policy has been issued to the deceased Dependent, we will pay benefits under this **Extended Insurance** provision only if the conversion policy is returned to Us without claim. We will refund all paid conversion premiums if the conversion policy is surrendered for this reason.

## **AMENDMENT RIDER**

This rider is made a part of Group Policy GVTL-AAD7.

This rider is effective the later of June 1, 2008, or the day You become insured under the Policy.

If the provisions of this rider and those of the policy or Your certificate do not agree, the provisions of this rider will apply.

The LIFE INSURANCE BENEFITS provisions For You and For Your Dependents are amended to include the following:

### **Exception**

We will not pay benefits for a death which results from suicide, while sane or insane within two years from the date insurance begins. Instead we will pay the sum of the premiums paid.

If death results from suicide, while sane or insane, within two years from the effective date of any increase in the amount of coverage, the amount of the increase will not be paid. Instead we will pay the total of the premiums paid on the increase.

## **PAYMENT OF CLAIMS**

### **How to File Claims**

Before benefits are paid, We must be given a written proof of loss, as described below. Upon Your death, Your beneficiary or someone else must give Us the proof.

### **Proof of Loss Requirements**

1. First, a claim form is to be requested from Us.

This request should be made:

- (a) within 20 days after a loss occurs; or
- (b) as soon as reasonably possible.

When We receive the request, We will send a claim form for filing proof of loss. If We do not send the form within 15 days, the proof of loss requirement can be met by giving Us a written statement of what happened. We must receive a written statement within the time shown in 3 below.

2. Next, the claim form must be completed and signed.
3. The claim form or written statement should be sent to Us within 90 days after the loss occurs; or as soon as reasonably possible.

### **When Claims are Paid**

Policy benefits will be paid in accord with the Life Insurance Benefits provision as soon as We receive acceptable proof of loss.

## **STANDARD PROVISIONS**

### **Insurance Contract**

The insurance contract consists of:

- (a) the Policy;
- (b) the Policyholder's application attached to the Policy; and
- (c) any application for You or Your Dependents.

### **Changes in the Insurance Contract**

The insurance contract may be changed (including reducing or terminating benefits or increasing premium costs) any time We and the Policyholder both agree to a change. No one else has the authority to change the insurance contract. A change in the insurance contract:

- (a) does not require the consent of any Insured Person or beneficiary; and
- (b) must be:
  - (1) in writing;
  - (2) made a part of the Policy; and
  - (3) signed by one of Our officers.

A change may affect any class of Insured Persons, including retirees if retired coverage is included in the Policy.

### **Applications**

We may use misstatements or omissions in the application of an Insured Person to contest the validity of insurance, reduce coverage or deny a claim, but We must first furnish You or Your beneficiary with a copy of that application. We will not use a person's application to contest or reduce insurance which has been in force for two years or more during that person's lifetime. However, if You or Your Dependent are not eligible for insurance, there is no time limit on Our right to contest insurance or deny a claim.

Statements in an application are treated as representations, not as warranties.

### **Legal Actions**

No legal action can be brought until at least 60 days after We have been given written proof of loss. No legal action can be brought more than three years after the date written proof of loss is required.

# **LIFE CLAIM REVIEW PROCEDURES**

## **DEFINITIONS**

An “**Adverse Benefit Determination**” means a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for a benefit, including any such denial, reduction, termination, or failure to provide or make payment that is based on a determination of the Insured Person’s eligibility to participate in a plan.

A document, record, or other information will be considered “**Relevant**” to a claim if it:

- (a) was relied upon in making the claim decision;
- (b) was submitted, considered, or generated in the course of making the claim decision, without regard to whether it was relied upon in making the claim decision; or
- (c) demonstrates compliance with administrative processes and safeguards designed to ensure and verify that claim decisions are made in accordance with the Policy and that, where appropriate, Policy provisions have been applied consistently with respect to similarly situated claimants.

## **INITIAL CLAIM DECISION**

Initial Claim Decision. We will make a claim decision regarding a life claim within 90 days after Our receipt of the claim.

Extensions. The initial 90 day period may be extended for up to 90 days, if We (1) determine that special circumstances require an extension of time for processing the claim and (2) notify the claimant, prior to the expiration of the initial 90 day period, of the special circumstances requiring the extension and the date by which We expect to render a decision.

Time Periods. The period of time within which a claim decision is required to be made will begin at the time a claim is filed, without regard to whether all the information necessary to make a claim decision accompanies the filing.

## **NOTICE OF ADVERSE BENEFIT DETERMINATION**

We will provide the claimant with written or electronic notice of any Adverse Benefit Determination within 90 days after Our receipt of the claim, subject to the extension described above. The notice will include:

- (a) the specific reason(s) for the Adverse Benefit Determination;
- (b) reference to the specific Policy provision(s) on which the Adverse Benefit Determination is based;
- (c) a description of any additional material or information necessary to complete the claim and the reason We need the material or information; and
- (d) a description of the Policy’s appeal procedures, including the time limits for such procedures.

## **APPEALS OF ADVERSE BENEFIT DETERMINATIONS**

The claimant must appeal within 60 days following receipt of notification of an Adverse Benefit Determination.

The request for an appeal should include:

- (a) The Insured Person's name;
- (b) the name of the person filing the appeal if different from the Insured Person;
- (c) the Policy number; and
- (d) the nature of the appeal.

The claimant will have the opportunity to submit written comments, documents, records, and other information relating to the claim.

The claimant will be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information Relevant to the claim.

Our review will take into account all comments, documents, records, and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial claim decision.

## **APPEAL DECISION**

Notice of Appeal Decision. We will notify the claimant of Our appeal decision within 60 days after receipt of a timely appeal request, unless We determine that special circumstances require an extension of time for processing the appeal. We will provide the claimant with written or electronic notice of Our appeal decision. Notice of an Adverse Benefit Determination will include:

- (a) the specific reason(s) for the Adverse Benefit Determination;
- (b) reference to the specific Policy provision(s) on which the Adverse Benefit Determination is based; and
- (c) a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information Relevant to the claim.

Notice of Extension. If We determine that an extension is required, We will notify the claimant in writing of the extension prior to the termination of the initial 60 day period. In no event will the extension exceed 60 days from the end of the initial period. The extension notice will indicate the special circumstances requiring the extension and the date by which We expect to render the appeal decision.

Time Periods. The period of time within which an appeal decision is required to be made will begin at the time an appeal is timely filed, without regard to whether all the information necessary to make an appeal decision accompanies the filing. If a period of time is extended as described above due to the claimant's failure to submit information necessary to decide a claim, the period for making the appeal decision shall be "tolled" or suspended from the date on which the extension notice is sent to the claimant until the earlier of (1) the date on which We receive the claimant's response; or (2) the date established by Us in the notice of extension for the furnishing of the requested information.
